Re the grant of additional tasdik to the Sri Someswaraswami temple in the Fort, Mysore City.

From

The Deputy Commissioner, Mysore District.

Letter No. 12, Dated 9th July 1907.

The temple of the Sri Kodi Someswara swami ~~temple~~ in the Fort, Mysore City, is a Muzrai Institution endowed with a cash grant of Rs 0- 11- 8 per mensem.

One Subbanna, alias Narada of Mysore, has memorialised His Highness the Maharaja, stating that besides the Tasdik mentioned above, the temple gets 30 seers of rice every month from the Palace Motikhana under the orders of ~~the~~ Her Highness the Mahaarani (late) Regent, that he has been collecting contributions from the devotees and getting the daily and Pradosha Abhisheka

performed and a nanda deepam kept in the temple, and praying that an additional grant of Rs 2/- for Kerosine oil, 30 seers of Gingili oil for Nandadipam, Rs 3/- for the Archak and Rs 2/- for the Parichavak may be sanctioned. The petition was ~~forwarded~~ transferred to this Office for Disposal, under cover of the Private Secretary's No. 2374, dated 20th March 1907.

The Deputy Commissioner of the Mysore District, to whom the Memorial had been referred, has now reported forwarding the reports of the Amildar and the Assistant Commissioner on the subject. From them, it is observed that both the last named Officers inspected the temple and found that it was kept in a very good condition and that puja was being conducted in it regularly. They further state that the temple in question is a very ancient one, and many devotees resort to it, but that the tasdik granted to it is very small, and recommend that an additional grant of Rs 5/- per mensem (or Rs 60/- per annum) may be sanctioned. The Deputy Commissioner supports the recommendation.

Muzrai Secretary's remarks:-

I have seen this temple which is situated in one of the streets to the south of the Sri Trineswaraswami temple in the Mysore Fort. The temple is in good condition and is much resorted to by the inhabitants of the Fort as being an ancient institution.

The Government Tasdik is very little, being only 0-11-8 per mensem and a contribution of one seer of rice per diem is being made from the Palace. The Memorialist named Subbanna alias Narada is collecting small contributions from devotees and gives material help in the maintenance of the Institution.

All the local Officers, viz, the Amildar the Assistant Commissioner and the Deputy Commissioner, strongly recommend that further help may be kindly granted by Government by raising the Tasdik to Rs.5/- per mensem.

The institution appears to deserve the

The grant will have to be made from State funds and entered in the Inam Register as an addition to the existing Ready money Cash grant.

It is stated in the petition that the temple is already being maintained properly from contributions & pious donations. This is as it should be - The proposed first contribution will reduce the amount of the present donations which is not desirable.

The expenditure proposed in the present case is not large, but I think in view of the growing expenditure in other directions it is necessary to fix an absolute limit to Muzrai expenditure, the principle being that the temples should be maintained as far as possible from voluntary contributions, the first grant being restricted to the minimum amount which would just befit with these contributions will just meet the current expenses
